Where Do We Go From Here?

The question in title does not reference the popular Staci Lattisaw and Johnnie Gill R&B song, but instead should be looked at as an answer. For the past several months now, Spirit of Truth Church has been diligently working on "Organizational Structure". In an effort to make our facility and our ministry more streamlined, we have created several positions of leadership. These positions were devised to assist our ever-growing membership as well as allow our church to function more smoothly. Please take the time to view the various positions. After reading this, if you don't have an answer to the above question, then come see me! I'll see what I can do to assist you.

A Gift

What is a Gift?

Something of material value that cause excitement in the receiver.

When we think of gift giving,

We think about how much money I need to spend to show you how much I care.

But is that the true value of a gift?

If I gave you nothing but my love, have I not given you a gift?

How about my friendship?

What about myself?

Sometimes the perfect gift is not value by money, but on **how** I give it.

Am I giving just **because** or because I **want** to?

Am I giving just to show everyone I **can** give?

Or because I feel the need to give?

Gifts, Gifts

Can I say today that I have given a gift to someone?

Can I say that my giving is all that?

How about taking more time to give of ourselves,
Our Friendships,
Our Love.

Lets' be True Givers and give True Gifts
